NO STEEL CORE AMMO ALLOWED

Bolt action Military rifles with iron sights only are allowed

100 Yard Berm

Black and Grey targets are steel and will be set at the approximate yardages as shown. Brown targets are paper and will be within 20 ft of the shooter. All steel targets will require ONE hit and all paper will require TWO hits. Target with hands is a non threat and does not require engagement. All paper will be scored using IDPA scoring procedures EXCEPT failure's to neutralize will not be used. If you do not know IDPA scoring it will be explained the day of the match.

Shooter will start with gun loaded pointed downrange at a low 45° angle at P1. At buzzer shooter may take any position they choose, standing, sitting, kneeling or prone to engage each target safely from the left (A) right (B) and the middle (P1) with the required round count.

15 rds minimum

Vickers count
