

The Wall

P1

INSTRUCTIONS: Shooter starts with stick held in both hands while outstretched. At buzzer shooter drops stick and draws gun and engages T1 on the move to shooting port. Shooter then engages T2 – T9 and P5 while slicing the pie and utilizing cover. Targets are numbered in the order of engagement.

SET-UP: Port is approximately waist high and cardboard can be utilized to size and force shooter to slice the pie from the port. T2 is on the back side of wall, not on the front. Swinger is tripped by the popper falling on outstretched rope. Swinger must be engaged before shooting T8 & T9 but you can come back to swinger after initial engagement of all targets is complete. Swinger should stop behind a barrel and not be seen and be only engaged from left.
